

EZ-R120

Features

- ✓ **SEAMLESS PRINTER SYNC** - This label rewinder machine is designed for rewinding printed labels quickly and evenly. Ideal for use with label printers, barcode printers, and packaging workflows
- ✓ **BUILT TO LAST** - With a sturdy metal frame, this heavy-duty label rewinder machine stays firmly planted during high-speed runs. The powerful, quiet motor in this label winder machine handles continuous workloads without the noise, making it perfect for busy packing lines.

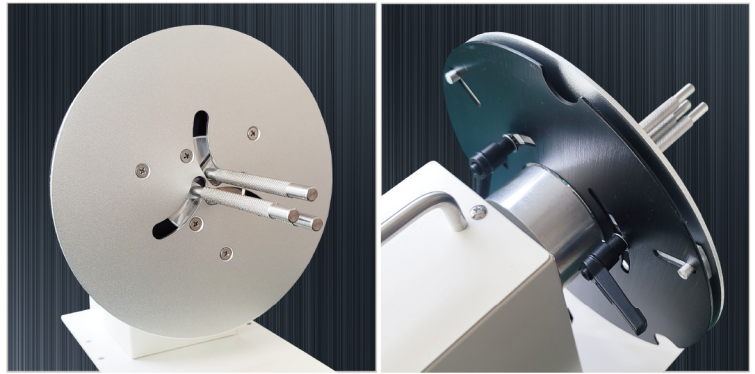

BI-DIRECTIONAL REWINDING

Operates according to printer speed. Speed can be adjusted. Forward and reverse operation possible.

Improving the clean work environment

It automatically winds the label according to the label printer's printing speed.

Automatic Label rewinder

ADJUSTABLE GUIDE BAFFLE

The adjustable baffle keeps every roll tight and aligned with zero scatter. This automatic label rewinder output ensures your finished rolls are dispenser-ready, making it the perfect label holder rewinder for everything from hang tags to barcode stickers.

UNIVERSAL CORE FIT

This automatic label rewinder is compatible with 1-inch, 1.5-inch, 3-inch, and 4-inch cores. It can also be used without a core. You can use it immediately by simply connecting it to the power and inserting the label, without any complicated settings.
